POLICIES AND PROCEDURES

Animals
Except for guide dogs for the visually impaired and working dogs, animals are not permitted in the auditorium, lobbies, on the stage, or any other areas within The Lerner without written permission.

Backstage catering
Please coordinate backstage catering with The Lerner Theatre Director of Events.

Broadcast
Advance approval and fees required for recording or broadcasting any performance, lecture, concert and/or public or private meeting by radio or television.

Concessions
No sales, authorization of sales, or distribution of food items, merchandise, or special services are allowed without prior written approval from The Lerner Management.

Flammable material & Pyrotechnics
The use of stage pyrotechnics or open flames requires advance notification and written approval of the Tech Director and the Elkhart Fire Marshal.

Public Safety
Placing items in corridors or blocking emergency exits or obstructing any portion of the sidewalks, entries, halls, elevators, or ways of access to the public utilities of the building is prohibited.

Smoking
The Lerner is a non-smoking facility, including electronic smoking devices. Any modification to the smoking policy needs permission of the Lerner Theatre Executive Director prior to load-in.

Stage and Backstage Areas
At no time are members of the public to come on stage without the approval of Lerner Management. Backstage visitors and guests must be approved by The Lerner. Approved guests of visiting artists or the Lerner must be accompanied by a member of the artist's staff or Lerner staff.

Tech Director
The Lerner's Tech Director is responsible for all stage and backstage areas and operations and is the final authority on all theater practices. Safety is always of paramount importance.

Security
The Lerner's dressing rooms, and stage access doors are all equipped with a keypad lock system. Codes will be sent out prior to the performance to tour management. Any special requests should go through The Lerner's Tech Director.
